

“DUMBO Glow”

Winter Videos in The Triangle

December 19th and 20th 5:00pm – 9:00pm

Presented by 3_Search

Curated by Leo Kuelbs and John Ensor Parker

“Dumbo Glow” continues a winter tradition started in Berlin in 2009. The “Glow” series brought together a wide array of video works from a full spectrum of artists and created a “homecoming” like atmosphere. “DUMBO Glow” expands this tradition by bringing it to New York City. The show recasts the Triangle and The Manhattan Bridge Anchorage as “Dumbo’s Living Room,” with video art evoking feelings of connection, balance and symmetry working in support of the holiday season.
